

INTRODUCTION

B. Voc. Programme has been designed by the UGC as per National Skill Qualification Framework (NSQF) of Ministry of Skill Development emphasizing on skill based education in consultation with National Skills Development Corporation (NSDC).

The programme focuses on skill development based higher education leading to Bachelor of Vocation (B.Voc.) Degree with multiple entry and exit points.

Its objective is to provide judicious mix of skills relating to a profession and appropriate content of general education, so that they are work ready at each exit point of the programme.

It also integrates NSQF within the undergraduate level of higher education in order to enhance employability of the graduates and meet industry requirement.

Curriculum: The curriculum in each of the semesters / years of the programme would be a suitable mix of the General Education Components (GEC) and Skill Education Components (SEC) in a fixed ratio of 40:60.

Total Credits: 1 semester has 30 credits and thus 180 credits for completion of the degree over 3 years.

B.Voc (Healthcare Management)

Healthcare Sector is one of the largest in the service sector industry in India. Imbalances in availability and quality of allied health professional have direct impact on the effective healthcare delivery. The estimated shortfall in allied health human resources is more than 64 lakhs. There is a significant shortage in non-clinical support staff and professionals attending to patients, specific to hospital front-office, patient health education, medical records, health informatics, hospital administration etc.
