ACKNOWLEDGMENT

We, at the Placement Cell of Jesus and Mary College, express our heartfelt gratitude to all the organizations and individuals who have contributed to our success in the academic year 2026-2027. Your unwavering support and collaboration have been instrumental in shaping the future of our students.

We extend our sincere thanks to our former Principal, Dr. Sandra Joseph, for her visionary leadership and constant encouragement. Her commitment to excellence and her unwavering faith in our potential have been the driving forces behind our accomplishments.

We also acknowledge the efforts of our dedicated team members, whose hard work and perseverance have made it possible for us to achieve great heights. Their passion and commitment have been the backbone of our placement cell.

Special thanks goes out to all the companies and organizations that have participated in our placement drives, offering our students valuable opportunities for growth and development. Your trust and belief in our students have been the foundation of our success.

Last but not least, we would like to express our appreciation to our students, who have shown resilience and determination in their pursuit of excellence. Their achievements are a testament to their hard work and dedication.

PRINCIPAL'S NOTE

The Placement Cell of JMC has been committed towards bringing excellent work opportunities for its students for the past two decades. With each passing year, we seek to take that excellence to the next level by expanding the network of collaborations.

Our talented students at JMC accomplish even more by being mentored by the learned and dedicated faculty of the college.

The Placement Cell is further facilitating the work readiness of our students through training sessions and enriching interactions with industry experts and our alumni.

Some of the most prestigious companies and organisations have visited our campus in the past and continue to do so for successfully recruiting from our pool of talented, bright students.

We are in the process of making these connections and relations even more far-reaching and diverse. We are committed towards bringing more such partnerships to our campus for the mutual enrichment of all the stakeholders. Our vibrant and high-performing team of students and faculty at the placement cell of JMC are working passionately towards that goal.

We invite you to visit our campus and allow us to introduce to you the bright, creative and diligent students of our institution.

ABOUT THE TEAM

In 1998, Jesus and Mary College started a Placement Cell in the University of Delhi for undergraduate students. The Cell continues to facilitate hassle-free recruitment by establishing an institutionalized mechanism.

The Placement Cell, Jesus and Mary College is a professional body incorporated for facilitating recruitment of the country's best minds by global corporations. It serves as the liaison between the companies and the students and works tirelessly to match the repute and eminence that the college is renowned for.

OUR VISION

We wish to equip the students with relevant professional skills and provide them with a plethora of opportunities from companies throughout the country enabling them to have a bright start to their professional lives. Additionally, our endeavour is to ensure the availability of opportunities for Placements & Internships to all sections of students in a fair and equitable manner.

OUR MISSION

The Placement Cell of Jesus and Mary College aims to meaningfully connect with renowned organizations and organize placement drives to facilitate the recruitment of maximum number of students. Our aim is to create opportunities that enable the maximum number of students to secure valuable internships and placements.

OUR DIVISIONS

PLACEMENT AND INTERNSHIPS

As the Placement and Internship Division of The Placement Cell, Jesus and Mary College, the team is actively engaged in arranging internship opportunities for students, collaborating with reputed companies across various industries to provide students with practical, hands-on experiences that are crucial for their professional growth, organising campus recruitment drives and inviting leading companies to recruit our students for full-time positions.

Our dedicated team is committed to providing continuous support and guidance to our students throughout their journey, from their first day at college to their graduation and beyond.

TRAINING AND DEVELOPMENT

As the Training and Development Division of the Placement Cell, Jesus and Mary College, the team's aim is to foster the holistic development of our students and equip them with the necessary skills and knowledge to succeed in their chosen careers.

The Training and Development Division offers a wide range of programs and workshops aimed at enhancing the employability of the students including Soft Skills Training, Mock Interviews and Group Discussions, Resume Building and Industry Interaction through workshops and knowledge seminars.

Our team is committed to providing the necessary support and resources to help our students excel in their careers. We believe in empowering our students to become confident, competent, and successful professionals.

OUR INITIATIVES

Meaningful initiatives undertaken by JMC, reflecting our commitment to holistic education, innovation, and community engagement.

The Training and Development Division of The Placement Cell focuses on bridging the gap between academia and the corporate sector by providing valuable sessions, workshops, and upskilling opportunities that equip students with essential professional skills. Throughout the academic year, the division has successfully conducted 35+ sessions and workshops, witnessing a cumulative footfall of 3000+ students, reflecting its continued commitment to fostering professional development and career preparedness across diverse domains.

Collaborating with esteemed institutions and organizations such as the Indian School of Business (ISB), the Indian Institute of Management Lucknow (IIM Lucknow) and the Institute of Actuaries of India, the division hosted sessions designed to broaden students' perspectives on career pathways, higher education, and professional growth. Academic and career development were further strengthened through skill-oriented workshops on topics such as Plan B for UPSC Aspirants, Navigating Competitive Selection Processes, Cracking CAT with Precision, and Crafting Your Professional Identity.

Additionally, the division curated insightful sessions aimed at equipping students with practical knowledge, industry awareness, and guidance to navigate diverse career opportunities. The annual flagship bootcamp, Career Catalysts, offered hands-on experience in Group Discussions and Personal Interviews, guided by alumni from leading organizations such as Boston Consulting Group, Procter & Gamble, and IndiGo. The division also facilitated its CV Review Program, offering personalized feedback on over 100 resumes to help students align with evolving industry standards and strengthen their professional profiles.

Through these initiatives, the Training and Development Division continues to foster skill enhancement, career readiness, and industry engagement, building a strong foundation for students' professional journeys.

CONVERGE'25

The Placement Cell of Jesus and Mary College hosted Converge'25, a flagship panel discussion held under the umbrella of Momentum 2.0: JMC Career Summit, bringing together prominent industry leaders and students for an afternoon of meaningful dialogue.

Converge'25 brought together four distinguished industry professionals – Mr. Rajesh Ranjan (Google), Mr. Santosh Tiwari (APCO Worldwide), Mr. Vishal Chowdhry (Keysight Technologies), and Mr. Vaibhav Singh (PwC) – for a high-impact panel discussion centred around the agenda: Navigating a Challenging Global Landscape: Building Skills, Adapting to Geopolitical Realities, and Thriving in an AI-Driven Economy. The panel offered students rare, unfiltered access to seasoned corporate perspectives on the forces reshaping the modern workforce.

Spanning the intersections of policy, technology, and talent, the discussion challenged students to think beyond conventional career frameworks. Panelists drew on decades of cross-industry experience to unpack the implications of a rapidly shifting global order – from the quiet influence of Geoeconomics on investment and opportunity, to the irreversible integration of AI into professional life. What emerged was not a cautionary tale, but a call to action: to lead with curiosity, build with intention, and remain undeniably, authentically human in a world increasingly shaped by machines.
