Ltd. from 16<sup>th</sup> August 2020 to 27<sup>th</sup> August 2020.

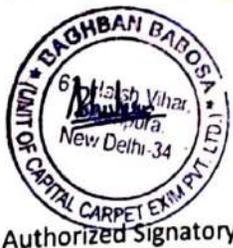

During her internship, she was exposed to the various activities in the **Product and Service Division** wherein she learnt *inventory management* and *e-customer service*.

We found her extremely inquisitive and hard working. She was very much interested to learn the functions and techniques of inventory management and also willing to put her best efforts and get in to the depth of the subject to understand it better.

Her association with us was very fruitful and we wish her all the best in her future endeavours.
