## Snapshots – the Photography Society

Snapshots – the Photography Society of Jesus and Mary College tries to make a contribution in every possible way, from covering all college events to organising photo walks and inter-college and intra-college competitions, in turn boosting the aesthetic and creative gear overall. Not only does it provide a platform for students who are passionate about photography to showcase their talent, but is also focused on the mutual exchange of learning and techniques as far as the art of photography is concerned. The academic year of 2021-22 was an exceptional year for Snapshots.

The year started off with the election for office bearers, wherein Khyati (3rd year, B.A. English Honours) and Khyati Dubey (2nd year, B.A. Programme Psychology-Philosophy) were elected as the President and Vice-President, respectively. Prisha Revar and Anoushka Sharma were in-charge of the Organisation and Collaboration department, and Visheshta Sharma and Mahak Pandey supervised the Social Media and Design department. A two-round drive took place thereafter for the recruitment of new members, after the commencement of the academic session for first-year and second-year students. A team of 16 talented photographers were welcomed into the society, making it to a total of 44 enthusiasts.

For World Mental Health Day, that is, 10th October, Snapshots collaborated with Cauldron: the Magazine Society of Jesus and Mary College for a collaborative event “Chronicling Kindness”, wherein members of Snapshots supplied perfect captures to suit the empathetic anecdotes, composed by the team of the English Magazine Society. This not only created awareness around consideration and well-being but also strengthened cooperation between the two creative societies, unique in their own ways.

**snapshots.jmc** For World Mental Health Day, Cauldron, the Magazine Society collaborated with Snapshots, the Photography Society for a fun activity on Chronicling Kindness.

While members of Cauldron sent heartwarming anecdotes about little acts of kindness they've witnessed around them, members of Snapshots supplied perfect pictures to capture these anecdotes.

The collaboration not only brought forth the strengths of cooperation, but also showcased how good and kind this world can be.

Everyone has a story to tell.

Also, this year for the ever-emerging society would not have been a successful one without the unrelenting guidance and encouragement of our faculty advisors Mr. Jobin Thomas and Ms. Tanuja Sachdeva.
