Notes:

1. The batch division for practical exam will be done by the faculty members teaching the course keeping in mind the availability of students with respect to their Core subject/VAC practical (in Psychology, Commerce, Maths and Computer Science).
2. Non-lab oriented courses will use the first year classrooms for conducting the practical exams. Teachers of the VAC courses are requested to consult the Time Table Committee if additional classrooms are required.
3. Students are requested to report 15 minutes prior to commencement of the practical exam.
