

Report on Alumni Meet

The Department of History successfully organized an Alumni Meet on 7 February at 11:00 a.m. at the college premises. The event was held with the objective of fostering interaction between alumni, faculty members, and current students, while celebrating the enduring association of the alumni with the institution.

The programme began with a warm welcome to the alumni, professors, superannuated faculty, and students. This was followed by the Principal gracing the occasion, marking the formal commencement of the event. Faculty members and retired professors were also present, lending the gathering a sense of continuity and shared academic legacy.

The alumni meet provided a meaningful platform for alumni to reconnect with their alma mater, share memories, and reflect on their academic journeys. Interactive sessions encouraged dialogue between alumni and students, allowing current students to gain insights from the experiences and professional journeys of former students.

The event was attended by several alumni and faculty members. The atmosphere throughout the programme was warm, engaging, and reflective, strengthening the bond between past and present members of the department.

The Alumni Meet concluded on a positive note, reinforcing the importance of alumni engagement in the academic and cultural life of the institution. The Department of History looks forward to organizing similar events in the future to further strengthen alumni relations.
