Dear Students,

As you are aware, under the UGCF scheme, students of semester II and IV should study ONE Value Addition Course (VAC), ONE Ability Enhancement Course (AEC). **The college is opening the online portal for filling options on Friday, 2nd January 2026 at 6pm.**

All the eligible students of Semester II and IV are required to fill options for VAC and AEC papers. **So please be watchful and ensure that you fill your options carefully, before the last date, i.e., Sunday, 4th January 2026, 5.00 p.m.**

The course allocations will be notified **on the college website on 5th January 2026** and the students are requested to check the college website for the same. **No individual e-mails will be sent out to the students notifying them about their course allocation.**

Detailed instructions are available on the allocation form. You are advised to read these carefully.

- All students of **Semester II and IV** should study **ONE Value Addition Course (VAC) and ONE Ability Enhancement Course (AEC).**

- Students CAN choose VAC paper being offered by their parent departments provided that the syllabus is not similar to the DSC/DSE/GE/VAC/SEC courses that they are studying, or are expected to study.

- There are **14 Value Addition Courses in Semester II and 12 Value Addition Courses in Semester IV and 22 Ability Enhancement Courses** offered by Jesus and Mary College (Courses offered by Jesus and Mary College are clearly indicated in the portal). However, students are free to choose from entire list of **33 VACs** notified by the University of Delhi (which may be offered by other colleges in the South Cluster). Please note that a student cannot choose a VAC paper that they have already opted in an earlier semester, even if the same paper is being offered by a different Department in the upcoming semester.

- Students will be allotted courses on first-come-first-serve basis. Once the seat capacity of a particular course is filled, the students will not be able to choose that paper.

- Allocation of seats for the students who choose courses in the cluster colleges will be done subject to seat availability.

- Please choose the AEC Modern Indian Languages paper on the basis of the level you have studied the language (till class VIII, in class VIII, in class X and in class XII)

- **If your first preference for VAC is a course offered by a Cluster College, it is mandatory to choose courses in JMC as your second and third preferences.**

- It is advised you go through the syllabi of papers on the DU Website (VAC Link, AEC Link) also to ensure that you satisfy the minimum eligibility conditions for the papers, if any.

- To avoid technical glitches, please ensure that you have access to a proper internet connection. Also, it is advisable to take screenshots of your submission (with the time, your name and roll number clearly visible) once the preferences are filled in the form. You can submit the form for VAC and AEC **only once**.

The last date to fill online options on the College website is Sunday, 4th January 2026, 5:00 pm for the students of Semester II and IV, failing which the student(s) will not be able to exercise her choice and shall be allotted paper(s) by the college. Further, the number of seats for each paper is fixed and limited. Hence, students are advised to upload their preferences at the earliest. **No requests for change in options allotted once shall be considered by the college.**

 # The college reserves the right to change the allocation of seats per paper, or cancel any paper, without prior notice. The decision of the college in this regard will be final and binding.

Best wishes,
Principal
