

JESUS AND MARY COLLEGE

IMPORTANT NOTICE FOR SEMESTER I STUDENTS

AEC/GE/SEC/VAC Option Form for Sem I Students

Dear Students,

As you are aware, under the UGCF scheme, you may choose Optional Papers in various categories such as Generic Elective (GE), Skill Enhancement Course (SEC), Value addition Course (VAC) and Ability Enhancement Course (AEC). For a second time, the college is opening an online portal for filling options on Tuesday, 12th September 2023 at 11:00 p.m.

This opportunity is meant for those students who have recently joined college in the last few rounds of admission. It also applies to students who have failed to submit the AEC/VAC/GE/SEC options in the last round. There were 784 students who successfully exercised their options in the last round and the submit button has been disabled for them.

All the eligible students of Semesters I are required to fill options for AEC/VAC/GE/SEC papers. So please be watchful and ensure that you fill your options carefully, before the last date, i.e., 14th September 2023, 10.00 p.m.
