# **Rules > Preliminary Round**

- **We will have a preliminary round of 20 questions, a mix of oral, still images and A-V (Audio / Video).**
- **The preliminary round will be divided into 4 rounds of 5 questions each, with the last round having starred questions**
- **All questions have 10 points each, except the starred questions that carry double the points**
- **The quiz will be run via Zoom with questions displayed via a presentation deck**
  - **In the event of the number of participating teams stretching beyond 200, then we would evaluate the option of using a quiz platform that would enable a faster speed of tabulation of the answers, and decrease time lapse between the Prelims and the Finals**

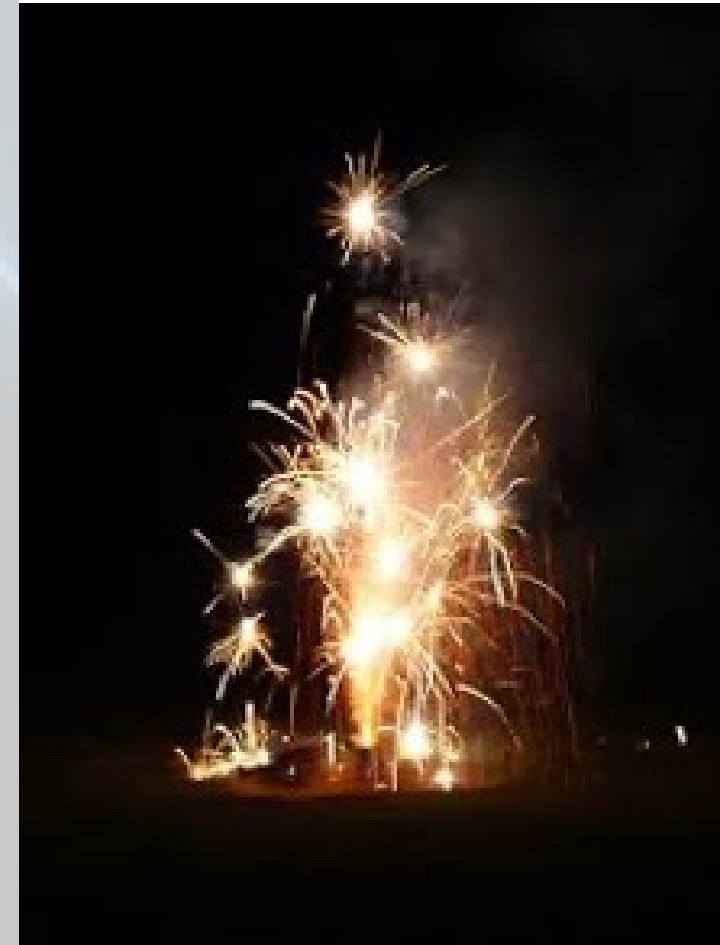

- **Each question has a time limit of 15 seconds to be answered**
- **Participating teams need to DM the Quizmaster with their answer**
  - **Teams need to pre-register with the quiz organisers in advance via a Google Form, with their team name, college represented (if applicable), participant names and phone numbers**
- **In the event of a tie-break, we will have a 3 question tie-breaker**
- **There will be a gap of 1-2 hours between the Prelims and the Finals.**

**This will be a function of the number of participating teams in the Prelims. We will announce the time for the finals to start, as we commence the Prelims.**
- **The top 8 teams will qualify for the finals, that will be hosted in a Live Format via Zoom**

# The Rounds > Preliminaries

**Starred Questions  
Double the Points**

# Rules > Finals

- **There will be 4 rounds in the finals of 8 questions each**
- **All 8 teams will be present on the Zoom link, and questions will be posed to them in turn**
- **I would advise that questions not be passed in the finals, as it gives time to other teams to Google**
- **Will however still review the format for the finals to evaluate if we can also in some way let all teams respond to the questions**
