From Theory to Praxis:

COMMUNITY OUTREACH PROGRAM

You are warmly invited to join us for a special event celebrating the impactful work of students in the Community Outreach Program. The event will feature a captivating video showcasing the diverse projects students have undertaken in collaboration with various NGOs. This will be followed by students sharing their personal experiences, offering insight into their work within different communities. We invite you to participate in an interactive session where you can engage with the students and ask questions about their journeys. We look forward to seeing you there!

Time: 11:30 AM Onwards
