

A magical forest scene at night. In the foreground, a campfire burns brightly, with four small figures sitting around it. The fire's light reflects on a stream in the foreground. In the background, there are dark, silhouetted trees and mountains. The sky is a deep blue, filled with stars, a large full moon, and a glowing, ethereal cauldron that appears to be the source of the magical light. The cauldron is surrounded by swirling, colorful smoke or energy. The overall atmosphere is mystical and enchanting.
