JOLYNNE JOHN 190853 is presenting

MEGHA MARY DOMMEN 18... and 47 more

12:34 PM

**THE GAZE: BERGER**

- "One might simplify this by saying : men act and women appear. Men look at women. Women watch themselves being looked at. This determines not only most relations between men and women but also the relation of women to themselves. The surveyor of woman in herself is male: the surveyed female. Thus she turns herself into an object – and most particularly an object of vision: a sight."
