

Dr. Maya John is an Assistant Professor in the Department of History. She has a doctoral degree in History from the University of Delhi. She has published on the evolution of labour law in colonial India, the relationship between caste and the labour market, the question of education in the colonial and post-colonial period, challenges faced by unorganized workers in contemporary times, and problems with the current labour law regime.

Her areas of interest include labour laws, social movements, caste and the history of reservation, dynamics of women's participation in the colonial and post-colonial labour market, trends in the women's movement, state formation in India, and modern European history.

She teaches modern European history, early colonial history of India, contemporary history of India, as well as history option papers under the B.El.Ed course.

Qualifications: Ph.D., Department of History, University of Delhi.
