- A strong database of Alumni needs to be built, keeping a track of the students after they leave college so as to capitalize on their experience and support to take the college forward. This is to be done at both micro and macro levels.
- While college has its Old Students Association which meets once annually, the Departments can also stay connected with Alumni through social media etc. and motivate them to contribute towards making the Alumni Association more vibrant.
- Areas where Alumni can make a contribution need to be identified so that they can play a more supportive role in the college.
- Seminars for non-teaching staff may be organised to impart soft skills like office etiquette, interpersonal skills etc.
