18. SWOC Analysis

**STRENGTHS:** 1.The department believes in active learning and therefore ensures that the lessons stretch beyond the classroom. For this we organize many activities such as : a. Field visits to heritage sites, museums, exhibitions etc. b. Encouraging students to write and debate about the past that has shaped present day trends. c. Engage the students to have first hand experience of interviewing people and analyzing mentalities to reconstruct social, cultural and political tropes that shape people, spaces and historical periods. d. Celebrate and educate the students of the tangible and intangible heritage by organizing fests (in college) and academic visits (lectures, talks, field visits etc outside college) . e. Sensitize students to the close relationship between history and environment and take up pro-environment practices within the department such as 'Say No to Plastic campaign' and recycling resources through clothes etc  
**WEAKNESS:** 1. Inadequate ICT facilities in the department

19. Future Plans

1. To organize more writing workshops for students. 2. To organize workshops for teachers to update them on new teaching methods, research trends etc.
