## 12. Mentor Ward Report

Name of the Teacher	Report Link
The psychology department is currently responsible for the mentorship of 238 Hons students and about 100 Prog students. Each faculty member is the current mentor of about 40 students on average; and hence to make sure all students are able to access some form of mentorship, the psychology department started peer-mentorship where 2nd and 3rd year students volunteer to 1-1 mentorship of a 1st year student. This year saw a large no of volunteers and we will continue this practice.	<a href="#">View</a>
