17. Alumni Day and other Alumni related activities/events held during the year

18. Review and Comparison with previous year's Department report.

19. SWOC Analysis

Strengths

- Excellent Esprit de Corps -Cooperation and Teamwork amongst the Faculty members
- Dynamic and Focused Students
- Cordial Faculty-Student relationship and interactions
- Good Campus Placement record of the Department of Commerce students
- Maximum internships undertaken by the Department of Commerce students
- Impressive number of meritorious students receiving felicitations
- Bigger and better Com'Acumen 2020
- Young faculty participating in higher number of FDPs yielding positive effect to subject related classroom interactions
- Increase in number of Seminars, Workshops, Conferences, Talks, etc. held by the department for better learning of students aligned with their academic goals
- Manifold increase in outstanding visitors to the department during this academic year
- An international research collaboration MoU with NCUT, Beijing, China to promote and reinforce stronger academia
- In times of adversity, when the world is facing the havoc by coronavirus and students are under deep stress and feel disoriented about their future, Department of Commerce pioneered the concept of webinars in the college by holding 5 different webinars to motivate and aware the students. With the idea that pandemic would push the world into change and our students should be fully equipped to embrace the new redesigned world, esteemed guests from academia and industry were invited over online webinars to engage, guide and mentor our students
- Department of Commerce has always been proponent of Green Initiatives. Going green is a great way to reduce our environmental footprint and help the planet. With the motto of reduce, re-use & re-cycle, frequent paper collection drives are held to inculcate the habit of proper waste management and recycling amongst our students

- Launch of Luxury Brand Management Course in collaboration with American Business School, Paris where students would be partly taught in India and partly in Paris, France. This course would introduce students to unique elements of the “Luxury French Touch” and illustrate how it is implemented across different luxury disciplines
- Internship Fair for winter opportunities organized by NEEV created exciting opportunities for interaction between startups and students. The event garnered much attention from students and fruitful internship opportunities for them

Weaknesses

- Basic infrastructure and Internet facilities not available -Outdated Hardware and Old Generation Software system should be replaced. Laptops need to be updated with latest software (including Anti-virus Software)
- No permanent absorption of ad-hocs, leading to financial distress, Lack of job security. Very few facilities available for their personal safety or professional development, thereby hampers the teaching-learning culture of the university
- Syllabi for BAP Commerce Papers are ill-conceived with neither depth nor focus on application especially for AECC

Opportunities

- Teaching Learning Centre
- More Research Projects for Faculty and Students -Incorporating research component enabling students to develop independent critical thinking skills along with oral and written communication skills
- Starting Add on Programmes/Courses
- Synergetic Collaborations

Challenges

- Lack of practical application/ Less market-oriented courses
- Shortcomings of CBCS be taken up. Students are not motivated enough and have little knowledge of the credit system
- Large number of students in a class
- Bridging gap between academia and industry requirement
- There are serious challenges that impede the implementation of online learning and blended learning approaches in times like Covid-19 pandemic. Lack of availability of ICT tools & soft skills for conducting online classes on one hand and lack of digital infrastructure on other, deters “inclusive quality based online education”

20. Future Plans

- More Exchange Programs with institutions worldwide to stand apart both at the National and Global level
- Enter into MOUs, Academic Partnerships and Collaborations with institutions
- Placement of students to be fine-tuned to meet the aspirations of the students and expectations of employers especially for BA Prog Commerce Students

- Incorporating Practical Training for the students to bridge gap between theoretical and applicable processes and know-how
- Industry Participation through workshops, seminars and talks for better learning of students
- Having mandatory internship to improve upon the employability prospects of our students
- Organizing In-house FDP's for the faculties to keep them abreast with evolving pedagogies and other technological developments
- To host Annual International Conference by the Department dedicated to the contemporary themes aimed at result-oriented interactions between academia and industry
