19. SWOC Analysis

#### **STRENGTHS**

- ❖ Popular Liberal Arts Course.
- ❖ Comprehensive Syllabus offering a wide variety of courses that helps in creating a strong theoretical foundation and prepares a student to think in terms of different career options.
- ❖ Regular meetings of the department both formal and informal.
- ❖ Student feedback both online and offline, on the course(s) taught encouraged/ obtained.
- ❖ Issue based department assemblies offers students an opportunity for self learning.
- ❖ Well stocked library and availability of Internet.
- ❖ Department room is spacious and airy.
- ❖ Students in last three years have assumed president (6) and vice president (6) roles in various societies.
- ❖ In last three- four years, more of our students have joined internship programmes and short term courses to hone in their skills and increase their career opportunities.

#### **WEAKNESSES**

- ❖ Need to fill up permanent posts in view of retirement in recent years.

#### **OPPORTUNITIES**

- ❖ More incentives and support on the part of the management to teachers for their research would be welcome.

#### **CHALLENGES**

- ❖ Need to revamp the existing mentor-ward system. At present it is informally done. Major hurdle is back to back classes of students. Difficulty in fixing a slot when both the mentor and ward are free.
- ❖ Students are taught how to write a research paper but this needs to be executed across the board by all department teachers.
- ❖ Separate shelving of books prescribed in the university syllabus, if made possible would be student friendly.
- ❖ Permission to make online purchase of books particularly the old ones whose availability is difficult in the open market
- ❖ Break time is very short for students to have lunch. Request for a longer break time.
- ❖ There should be a metro feeder bus service to improve connectivity from college to metro stations and vice versa.
- ❖ Arrangements for inter library loan should be made. We could start this with colleges located close by.

## **20. Future Plans**

- ❖ To encourage students to become research oriented: (a) To apply and get approval for DU Innovation Project, (b) A One-day Students Seminar for academic year 2018-19 (c) Outreach Academic Projects related to the course
- ❖ A National Seminar for academic year 2018-19.
- ❖ Career Planning/Skill-based development programmes for students.
- ❖ Planning a department blog for the academic year 2018-19, in the college website which will feature articles by our students.
- ❖ *OR* a Department *Newsletter* (whichever is feasible).
- ❖ Created a <https://goo.gl/forms/0nTvp3QHtSIYNga13> and an email id [jmcpoliticalsc@gmail.com](mailto:jmcpoliticalsc@gmail.com) to connect with our alumni.
- ❖ Will like a space in the college website to highlight achievements of our current students and alumni.
