### **Suggestions given by experts after NAAC, Held on 8.11.2021**

1. Please begin the power point presentation with the vision of the department.
2. Have a booklet printed for the peer team members that has the PPT slides.
3. On the published articles photocopies, please add the copy of the original cover of the journal.
4. Have original journals whenever possible.
5. For articles published in E-journals, the online links for the same to be shown.
6. For published journals, mention how many articles in GGC approved journals.
7. Ethics in research is your story point, highlight it further.
8. Department magazines are good and having the original copies on display was appreciated.
9. Ethnographic film making is a good and strong point of the department, In the PPT, the information on the these should be presented even more clearly though bullet points. This is a practical / application based aspect of the course on sociology and this aspect should be highlighted further
10. Right after the slide on the fresher's debate, bring in the information on M.N .Srinivas Declamation (Inter college debate).

11. Some element of outreach be identified (JMCEP will not be applicable) and some form of social work could be mentioned (perhaps intervention through research).
12. Add information about library stock for sociology: How many books and journals, yearly addition of books and yearly budget.
13. Student publication are a strong point, highlight it further.
14. Student internship graphs are good.
15. Add information: How often have you interacted with the alumni, are you in touch them?
16. Mention clearly: Department Instagram page; department Facebook page.

### For the Display

1. Please bring original certificates for the Final visit.
2. Original Publications as far as possible
3. For e Journals: please be ready with the links.
4. Learning outcomes: Mention clearly as that (Student progression can be presented as learning outcome)
5. Please keep larger placards for each section clearly mentioning each section's key point.
6. Highlight Student publications (Even in the display).
7. Keep the PPT presentation to 10 minutes.
