## DEPARTMENT OF VOCATIONAL STUDIES

### INTERNAL AUDIT REPORT

2020-21

#### Observations:

- Since its inception in 2016, the B. Voc Department has grown steadily and is gradually coming on its own. However, due to external constraints of UGC and Industry, it is still facing a challenging time
- The Department has been active in getting tie-ups for internships of students.
- It has encouraged students to undertake community/outreach activities. A lot of initiatives have been undertaken to make students responsive to the environment around them.

#### Recommendations:

- Students have to be encouraged to do well in internships so that they get job offers. A special cell for Placements for B. Voc. needs to be created.
- The mentorship programme can be strengthened.
- The Department should stay in touch with alumnae and keep a record of their progression.
