DEPARTMENT OF ECONOMICS

INTERNAL AUDIT REPORT

2020-21

Observations and Suggestions:

1. Courses (Subjects) that include experiential learning through project work/field work/internship should include courses offered by the Department of Economics only.
2. Student Progression data should be collected for all the students.
3. Good to note that students are qualifying international level examinations for admissions to foreign universities/institutions.
4. In spite of the pandemic, the Department organised numerous events like Seminars, Talks, Symposia etc. to keep the students engaged and motivated throughout the year. The involvement of faculty is also worth noting.
5. Student's participation in co-curricular, extra-curricular and community outreach activities within and outside the College is commendable.
6. The Department has set up a Research Cell with the purpose of social outreach and providing students with field experience. This endeavour will facilitate in developing a culture of collaborative research among the students and teachers.
7. The number of publications in Scopus indexed journals, UGC journals and peer-reviewed journals have been relatively low and need to be geared up.

Dr. Alka Marwaha

IQAC Co-ordinator
