By

Central Placement Cell

Jesus and Mary College, University of Delhi

San Martin Marg, Bapu Dham, Chanakyapuri, New Delhi, Delhi – 110021

I. Foreword

The Central Placement Cell, Jesus and Mary College is a professional body that serves as a **liaison between the companies and the students** and works tirelessly to match the repute and eminence that the college is renowned for. The Cell has witnessed a smooth shift towards virtual placements to provide its recruiters a hassle-free hiring experience. With the **Covid-Impacted Recruitment Season 2021-22**, we witnessed a fall in the number of companies visiting our campus, due to the effect of downsizing. We conducted **Virtual Placement Drives from July, 2021 to February, 2022**, and companies of the likes of Ernst & Young, KPMG, Accenture, Deloitte, BCG, Bain and Company, PwC, Nation with NaMo, ICICI Bank, Paytm, Nestle, etc came to recruit students. *90+* out of 250 serious candidates got successfully placed, even during such testing times.

In the academic year 2021-22, **155** companies of the likes of *Ernst & Young, KPMG, Seekho, Great Learning, Bain and Company, Deloitte*, etc. came to provide virtual internships to the Pre-Final and Final year students, all year round. The Cell truly believes that internships provide exposure to the real world and give students a platform to establish critical networking connections.

The Central Placement Cell has facilitated the recruitment drives of premier recruiters across domains like finance, consulting, marketing, product management, operations, and many more over the course of its functioning, providing various opportunities like placements, internships, articleships, seminars, webinars, and workshops to the students.

Driven by an indefatigable spirit to ensure overall welfare of the batch, the Cell has taken up initiatives like CV Vetting, numerous training sessions on a wide range of topics to develop and nurture mutually beneficial relationships with various stakeholders of the Cell.
