| Year of Submission | 2019 |
|--|--|
| Date of Submission | 12-Dec-2019 |
| 17. Does the Institution have Management Information System ? | Yes |
| If yes, give a brief descripiton and a list of modules currently operational (maximum 500 words) | The College uses multiple Management Information Systems. It has four high configuration servers to allow fast transmission of data to the various computers. These servers are: Windows Based Active Directory, Kaspersky antivirus, Library OPAC and SONET. Management Information Systems used in: Administrative Office 1. DU Student Admission Portal is used to manage the admissions in the college. Number of students applying to each course, withdrawals, fee submission, all is managed through this Portal. 2. Application Management Solution is used to provide an online form with Data fields as per JMC requirements. 3. Students are required to submit a separate Online Application Form for taking admission to the college and for this purpose Admission Management Console is used by the Admission Coordinator. 4. Attendance Management Solution is used by Administrative Staff and Teaching Faculty to record and track Attendance, Internal Assessment, etc. Monthly Reports, Semester End Reports can be generated which is used to automatically calculate the Internal Assessment marks for attendance. 5. Administrative Office uses Advanced Excel and other Software Tools to maintain effective database. Finance and Accounts Office i.Tally is used by the Accounts Office to maintain financial records effectively and efficiently. Profit and loss, Balance Sheet are generated through this software only. All the analysis reports are also generated through this software only. All the analysis reports are also generated through this software only. All the analysis reports are also generated through this software only. All owances, etc all are managed by this system. Reports can be |

generated for all Staff members. iii. The Office uses Public Financial Management System (PFMS) to manage the funds received from the Government. iv. Payments are generally made and received through online mode such as NEFT, RTGS, Bank Transfers, etc. A. Library • The Library uses Troodon ILMS software, version 5.6 which was fully automated in 2006. Some of the key features of the software provided by Comtek Services Pvt. Ltd. are easy to use Graphical User Interface, unicode support with Multilingual Search and export facility for most reports. • The Online Public Access Catalogue module of the software allows library database searching by entering preferred terms and is mainly used for information retrieval. • The Circulation module of the software covers all the operations of circulation right from creating member records to printing of reminders for outstanding books. • The Database Maintenance module covers all operations of database creation and maintenance. It takes records from the acquisition module for the books recently acquired. • To encourage original writing among students and teachers, the Library also has access to a fully automated software, URKUND which checks submitted text for plagiarism.

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Jesus and Mary College is a constituent college of Delhi University, and as such follows a pre-determined syllabus. All our programmes have implemented the mandated CBCS/Elective Course System. However, the college innovates within these established academic structures, committed to providing holistic development for its all-women student body. ? Academic processes in JMC are streamlined, with timetables, workloads and other administrative tasks prepped well in advance of teaching sessions. The college enjoys technologically enabled infrastructure, which makes it possible for the students to participate in a modern teaching-learning process. ? ICT supplements the intellectual teaching body of JMC. Our teachers regularly update their disciplinary knowledge through active involvement in Faculty Development Programmes, evaluation, and participation in autonomous bodies of the University. Experiential learning through internships and field trips is specifically facilitated. JMC incorporates an empathetic approach, endeavoring to familiarize the students about how gender-based inequalities, neglect of environmental concerns and lack of ethics hamper an individual's growth. ?
Bolstering its academic credentials, JMC is one of the few colleges that offers
 dedicated add-on courses in languages like French and Spanish, technical
 courses like Data Analysis and Game Theory, even creative ones like Camera and
Photography. ? Complementing these pursuits is an effective tutorial and mentorward system. Smaller groups of students are created, so that academic and other
 discussions are individualized. ? At JMC, education is a dialogic process, and
 it is the robust feedback system that gives it this accountability. Feedback
 forms for students, teachers, alumni, employers, parents, and the non-teaching
 staff are displayed on the college website for the requisite stakeholders to
 confidentially give the college their evaluations and suggestions. The
 institution strives to incorporate these into all aspects of its functioning.

| Certificate | Diploma Courses | Dates of Introduction | Duration | Focus on employ ability/entreprene urship | Skill Development |
|---------------------------|-----------------|--------------------------|----------|---|--|
| Camera and Photography | | 14/05/2018 | 30 | The course is designed to introduce the participant to the key elements of photography, both aesthetic and technical. | Students | | Yes | |
| Teachers | | Yes | |
| Employers | | Yes | |
| Alumni | | Yes | |
| Parents | | Yes | |

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

At Jesus and Mary College, a well rounded and robust feedback system is employed to secure the holistic participation of various stakeholders such as students, teachers, parents, alumni, employers, non-teaching staff, etc. in our institutional processes. This fosters a spirit of transparency, communication and inclusivity in all levels of functioning at the institution. The dominant method of acquiring feedback is through forms designed specifically for this purpose and the feedback thus obtained not only provides a foundation for evaluating the efficacy of our existing mechanisms but also aids in the development of innovative academic and extra-academic content. It acts as the necessary raw material for formulating strategies for prospective institutional development. Stakeholders are repeatedly encouraged to give feedback by sending messages through student council and also through the individual Departments. Apart from specialized feedback forms, general feedback from students is also taken by teachers in their personal capacity. Through this informal method, teachers are able to tailor their individual lectures and responses to account for students' needs. Institutionally, the Principal is always directly accessible to students and parents during college hours. At any given point of time, if one walked into the Principal's office you would find a line of students waiting to discuss not just academic but co-curricular and extraacademic matters with her. This ensures that lengthy formal communication channels are circumvented and grievances spontaneously addressed. When it comes to the formally collected feedback a committee of teachers and the Principal together reflect and determine viable and specific redressal mechanisms for each kind of stakeholder, instead of opting for a one-size-fits-all approach. Some notable examples of channelling feedback into constructive arenas is through the organization of Faculty Development Programmes for the upgradation of the teaching staff carrying out infrastructural refurbishments to improve the aesthetic and functional experience of the college for all stakeholders enabling curricular enhancement to offer a diverse range of compulsory and addon courses to our student body instituting counselling and mentorship programmes to bolster the emotional well-being of our students curating Life Skills workshops to equip students with techniques of self-preservation and enhancement offering multitudinous co-curricular activities to provide an avenue for the demonstration of extra-academic acumen and the honing of other skills like communication and leadership encouraging research-based projects for the intellectual stimulation of our teachers and students, etc. In a nutshell, such an approach synergistically supports the amalgamation of the interests of the core stakeholders as well as the educational institution. Thereby, following a two pronged strategy of addressing the stakeholders' concerns, whilst simultaneously enabling institutional development. Accountability is a key indicator in Jesus and Mary College's institutional vision of providing transformative education to young women.

CRITERION II – TEACHING- LEARNING AND EVALUATION

2.1 – Student Enrolment and Profile

| 2.3.2 – Students me | entoring system ava | ailable ir | n the institut | tion? Give d | etails. (| maximum 500 w | /ords) |
| JMC has a well-structured Student-Mentoring system in place. Each student is assigned a faculty mentor at the beginning of the academic year. This is done by the teacher-in-charge of the concerned department in which the student is admitted. The mentor also informs the mentees when she would be available in case the mentees want to speak to her. Also the mentoring/counselling classes to be taken with the assigned mentor groups are reflected in the personal timetable of each teacher. The mentees are encouraged to interact with their mentor to discuss any issue related to difficulties faced in the college as well as holding discussions on the issues faced in their personal life. The students can seek guidance across a range of careers, depending on their subjects as well as interests. In addition to this, the college also provides the services of a professionally qualified counsellor/s with designated timings with whom the students are free to discuss any problem of any nature. Counselling services available on the campus helps the students to deal with psychological distress due to reasons like anxiety, depression, loss, trauma, relationship conflicts, confusions and crisis around identity and life transitions, academic stress, social anxiety etc. Students can Walk-in or schedule a session in advance. Counsellors are also available online during working hours. Apart from the interpersonal and one to one career guidance and counselling, the counsellor also gives guidance through presentations and interactive talks on different aspects of Personality Development required in the present competitive and global world. Individual sessions cover a wide range of topics like Career options Strategies and work plans Information about institutions in India and abroad,Entrance examinations, Admission requirements, Job opportunities, Work profiles, Emotional and personal dilemmas and problems etc. The aim of having a well structured system of mentoring is to provide proper guidance to the students not only in choosing the ri | | | | | | | |

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

JMC , being a constituent college of the University of Delhi, is bound by the University rules regarding Internal Assessment. It gives 25 percent weightage in overall assessment of the students. The University in all UG and PG programmes has introduced Choice Based Credit and Semester System (CBCS). The internal evaluation system of the college is revised from time to time which is in tune with the reforms made by the university. The college has introduced the Continuous Internal Evaluation (CIE) system for internal marking at the institutional level. After the student gets admitted to the college the evaluation methods, both Continuous Internal Evaluation (CIE) and End Semester Evaluation (ESE), are communicated to the students by way of the prospectus and the college website. During orientation, the students are given a clear idea about the syllabus and evaluation procedures. The breakup of Internal Assessment as prescribed by the University is as follows: 10 percent through Class Tests and Tutorials 10 percent through Assignments, Projects and Presentations 5 percent through Attendance. The college has adopted an online system where each student can view her total assessment marks at the end of each semester and can report discrepancies, if any, within a specified time period after which the marks are finally uploaded on the University portal. The faculty addresses the rightful grievances of the students pertaining to the marks obtained in the internal assessment. Retest examinations are conducted for students who have not been able to take the exam due to unforeseen reasons. Reforms in conducting Class Tests and Tutorials: The College encourages the Teachers to adopt innovative methods such as Open Book Tests, MCQs and Analytical Tests etc. on continuous basis before semester-end examination held by the University. Teachers also bridge the knowledge gap of the students through innovative pedagogical practices employed in tutorials. According to individual needs of the students, sometimes personalized and individualized evaluation methods are evolved, especially for foreign students and students with disability. Remedial classes are also offered in various subjects to provide additional help. Students are given the opportunity to improve upon their performance through re-tests and one to one discussion in tutorials. Reforms in conducting Assignments, Projects etc.: Teachers are given free hand to design their own evaluation methods in this category, whereby students are encouraged to participate in interactive sessions, group discussions, power point presentations, projects and assignments. Students are also encouraged to apply the theoretical concepts taught in class to real life situations/problems through these projects, assignments etc. In some programmes like B.Voc, role plays are conducted to make the course content relevant to real life. Curriculum of some courses allow skill enhancement through Practical Sessions and continuous evaluation is done through testing of skills developed.Disciplines such as Commerce, Computer Applications, Economics and Mathematics have Practical Component as part of their Curriculum which focuses on problem solving skills using ICT techniques and Software.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

• The college is a constituent college of University of Delhi which issues Academic Calendar at the beginning of the Academic Year which provides Teaching Schedule, Examination Schedule, Semester Break and Vacations which is strictly followed by the College to ensure its smooth functioning. • The College also prepares its own Academic Calendar of events and activities well in advance before the commencement of the Academic Session and it is communicated to all the students at the time of admission. • Both University and the College

Academic Calendars are placed on the College Website for ready reference. • During the orientation of new students, they are informed about the academic calendar of the college and the CIE. • The Principal conducts meeting with the HoDs and Staff regarding smooth implementation of the academic calendar. • For the purpose of conducting Continuous Internal Evaluation, teachers prepare their Lesson Plans/Teaching Schedule in adherence to the Academic Calendars. The timings for the Class Tests and Home Assignments are planned by the teachers in accordance with their teaching and tutorial schedule keeping the Academic Calendar and planned Extra Curricular activities of the college in mind. • Generally, the students are informed well in advance about the deadline for assignment submissions, dates for class tests presentations and their final internal assessment marks. • Students are encouraged to seek guidance from teachers to how to utilize the time given to them for preparation for a test or an assignment. They are free to approach the teachers in case of any doubts or queries. • The Project Work, Field Work and Presentations are also planned according to the pre-planned Academic Calendars. • Mid Semester Break is utilized for Field Work, Project Work, Excursions, Industrial Visits, etc. which form an integral part of CIE.

2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

https://www.jmc.ac.in/academics/programcourseoutcomes

2.6.2 – Pass percentage of students

| | <u> </u> | | | • | | |
|-------------------|-------------------|-----------------------------|---|--|-----------------|--|
| Programme Code | Programme Name | Programme Specialization | Number of students appeared in the final year examination | Number of students passed in final year examination | Pass Percentage | |

4.4 – Maintenance of Campus Infrastructure

4.4.1 – Expenditure incurred on maintenance of physical facilities and academic support facilities, excluding salary component, during the year

| Assigned Budget on academic facilities | Expenditure incurred on maintenance of academic facilities | Assigned budget on physical facilities | Expenditure incurredon maintenance of physical facilites |
|--|--|--|--|
| 32.46 | 9.83 | 58.2 | 440.99 |

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

The College ensures regular maintenance and upkeep of all infrastructural facilities. A full time Care Taker supervises the maintenance work carried out by trained in-house experts. Maintenance is also outsourced to appropriate external agencies. Furniture and equipment are purchased on regular basis as per the requirements with Purchase Committee holding regular meetings to approve necessary purchases for maintenance of College infrastructure. IT machines and programmes are continuously upgraded to ensure the market relevance of acquired skills. An IT Consultant has been appointed to provide regular support services relating to computer hardware and software. Floor incharges of the Classroom Building help students with ICT related work and help in maintenance of classrooms. Laboratories • A Healthcare Lab has been established for students opting for B.Voc-Healthcare Management Course to provide them with hands on training on hospital functioning. All inventory kept in the Lab is maintained by by Dr. Anupreet (Assistant Professor, B.Voc-Healthcare Management). • The College has a Psychology Lab with Psychometric tools, maintained by a Lab Attendant.. • The B.El.Ed Lab containing print, audio-visual and teaching-learning resources is maintained by a full time nonteaching staff member. Library • A Library Committee comprising of the Principal, Librarian and TICs of all Departments meets twice a year to discussupdation of library facilities. • The Library is maintained by 6 staff members headed by the Librarian. Daily dusting of books is done by 3 staff members with dusting by vacuum cleaner done monthly. • A team of 7 Faculty members and 7 Library staff members conducts stock verification involving counting of books and matching the numbers with official records every year. • . Sports • A Sports Committee comprising of 2 faculty from the Department of Physical Education and 3 faculty from other Departments holds monthly meetings for maintenance of sports infrastructure. • The Gymnasium Room and Open Gymnasium, both established in 2017 are cleaned regularly by Cleaners. The

Gymnasium Room has a Fitness Trainer and a Gymnasium Attendant, who regularly dusts Gymnasium equipment. Some equipment in Gymnasium Room and Open Gymnasium

are in the warranty period, thus maintained by Power House Sports International. • . • The Lawn Tennis and Cricket Fields are being maintained by MaxTennis Academy and S.M. Cricket Academy respectively. Other Information • The College water tanks are cleaned annually by a company named `Tanclean'. • The College also has an RO water Plant on the roof installed by Ion Exchange Company. • • A Firewater Pumping System has been set up that covers the entire College. • The three lifts in College make it more accessible to the physically handicapped. The College has an annual contract with Otis Elevator Company for maintenance of the same. • To conserve water, rainwater harvesting system has been developed in the College. • A Canteen Committee makes monthly visits to the Canteen. Also, pest control is done in Canteen every three months. • Under an initiative by Enactus JMC, around 2000 kgs of compost is produced yearly through pits located in College.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

? The JMC Student Council, first formed in 1970, is elected annually through a fair and democratic process by active participation of all students. ? The Student Council consists of a President (Third year student), Vice-President (Second year student), departmental and societal presidents, vice presidents, treasurers, and class representatives. In the academic year of 2018-19, for instance, the Student Council was supported by a cabinet of 98 Presidents and Vice-Presidents leading various student societies and academic associations within college and an organizing committee of 35 members. ? The Student Council is officially recognized and felicitated during the annual PTSA ceremony. During the ceremony, all members of the Student Council led by the President and the Vice-President of the council take an oath to serve in the interest of the institution and the society with integrity and devotion. ? The Student Council - elected to represent the fellow students - work with the Principal, faculty convenors, and students for organizing events and also building a

bridge between the faculty members, administrative staff, and students. ? The Student Council members help the faculty and administration in the Admission process and the Orientation Programmes organised for new students annually. ? The student council members also help in organising Freshers' Welcome Party, Teacher's Day, PTSA, the annual College Fest - Montage and Farewell to the Final year students. ? Funding for the activities organized by the council

comes from the fees paid towards student aid fund, sponsorships, advertisements, donations etc. ? The Board of Management and Staff at JMC actively encourages the Student Council to engage in a process of dialogue and consultation to help address student concerns. ? Student societies: The College

focuses on educating young women and training them in responsibility and accountability, enabling them to take their positions in a competitive world. Students are encouraged to participate in activities beyond their academic curricula so they become confident and well balanced individuals. ? There are several student societies that cater to a range of interests encouraging the students to hone their unique talents and managerial skills. At present, there are more than 25 such societies ranging from Indian classical dance and music societies to marketing and entrepreneurship cells. ? Besides representing the

institution at different colleges and Universities, these societies also organize competitive events and showcase their talents in the various in-house events organized within JMC. ? Academic Association: Each student, by default after admission also becomes a member of an Academic Association depending on the course joined. Each academic association is led by a President (Third year student), Vice-President (Second year student), and a Treasurer/ Secretary (First year student). Guided by the association in-charge (a faculty member), the association organizes seminars, symposia, debates, lectures, academic festivals etc. throughout the academic year. ? Class Representative System: Besides an active Student Council, each class also has a Class Representative who acts as a bridge between her fellow students and the teachers. She ensures timely dissemination of information regarding events, examinations, learning material, etc.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

The JMC Alumni society - Old Students Association is a non-profit making registered Society, under the Societies Registration Act 1860, New Delhi bearing the Registration No: S/ND/507/2014. The Association is dedicated to bringing together the alumni committee on a common platform to build another channel of personal and professional support to members through "Self Help" within the community. The Mission of JMC OSA is to provide a vibrant, global network and forum that connects and engages the alumni with their Alma Mater. The objectives of the Association are: a) To plan and organize successful reunions which JMC has been doing in the second week of January (2nd Saturday) on an annual basis. b) Involve alumni in student development through participation in ongoing academic activities including teaching, research, workshops, conferences, and placements. c) Champion all relevant fundraising activities to the development of the college d) To promote best practices in different areas of social life for the benefit of society Jesus and Mary College envisions a transformative and empowering role for the students in today's digitalized world. The OSA family is proud of students who are winners and achievers in every field carrying with them the values imparted by JMC and are making a significant contribution to society. In order to foster a warm relationship the College maintains regular contact with the alumni and former faculty through various email groups and social networking sites such as Facebook. The Alumni is very active in promoting, mentoring and guiding the current students of the College. It has also worked extensively in connecting

the alumni with its Alma Mater through motivational talks, workshops by eminent Alumni at various levels. Our former faculty and alumni have been keenly involved in all major college functions such as the annual college festival, PTSA, and so on. Independently, various Departments of the College have taken initiatives to organize Departmental Meets which have facilitated the strengthening and widening of OSA family. The Sociology Department of the college had taken the first initiative of organizing an alumni meet of its own students on the 1st of April, 2017 that coincided with the ushering in of the Golden Jubilee Year of the Alma Mater. The meet was a great success not only in terms of the large numbers who attended but the fact that many who had distinguished themselves in different fields came together to exchange stories of their career and life's journey for the benefit of younger students in college. In the subsequent years, other departments like Economics, Commerce, Hindi, Political Science have also had their own Alumni meets. The objective has been the same, that is, to build a strong alumni network which will participate in keeping the JMC banner flying high. We are an able bodied team with a lot of enthusiasm, motivation and dedication to promote the Society under the able guidance of the core team.

5.4.2 – No. of enrolled Alumni:

156

5.4.3 – Alumni contribution during the year (in Rupees) :

30200

5.4.4 – Meetings/activities organized by Alumni Association :

OSA - Minutes of the Alumni Meeting Winter Semester 2018-19 13.07.2018 Members Present: Ms Anjali Jaitley, Anjana Grover, Mridu Chawla, Garima Nijhwan, Sylvia Lal, Nishal Mittal, Nishwan Bhatia, Preeti Taneja. The agenda of the meeting were the following: • The meeting began with the discussion regarding the need to induct more alumni to the society. • Many difficulties regarding this were also realized as many alumni get busy with higher studies, jobs or personal engagements. 12.10.2018 Members Present: Ms Anjali Jaitley, Anjana Grover, Mridu Chawla, Garima Nijhwan, Sylvia Lal, Nishal Mittal, Nishwan Bhatia, Preeti Taneja. The agenda of the meeting were the following: • The members met today to discuss the possibility of organizing an awareness programme for the students of the final year. • Various responsibilities regarding this were taken up by members. 14.12.2018 Members Present: Ms Anjali Jaitley, Anjana Grover, Mridu Chawla, Garima Nijhwan, Sylvia Lal, Nishal Mittal, Nishwan Bhatia, Preeti Taneja, Shradha Modi. The agenda of the meeting were the following: • The main topic of discussion was the organization of the Annual Alumni Meet. • Members took upon themselves various responsibilities for the same. OSA - Minutes of the Alumni Meeting Summer Semester 2018-19 12.01.2019 Members Present: Ms Anjali Jaitley, Anjana Grover, Mridu Chawla, Garima Nijhwan, Sylvia Lal, Nishal Mittal, Nishwan Bhatia, Preeti Taneja, Shradha Modi. The agenda of the meeting were the following: • Members met today to evaluate the final preparation for the Alumni Meet. • The participation of more alumni was emphasized. 08.02.2019 Members Present: Ms Anjali Jaitley, Anjana Grover, Mridu Chawla, Garima Nijhwan, Sylvia Lal, Nishal Mittal. The agenda of the meeting were the following: • The main point of discussion was the alumni participation in the forthcoming college event- Montage. • Many suggestions were given and putting up of a Stall during Montage was taken up. • Members also discussed the preparation of Audit report for the current financial year. Activities 1. The Alumni meet was organised on 12/01/2019. Alumnae shared their experiences and several cultural activities were organised.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Jesus and Mary College follows the practice of decentralization in its true sense, in all the three important pillars of the institution, viz. academics, administration, and extra-curricular activities. 1. The practice of decentralisation and participatory management is reflected in all the activities of the college through a Strong and Efficient Organogram of Committees/Societies which includes the IQAC, the Staff Council, Student Council, Time Table Committee, various cultural societies, and Teachers-incharge of the departments among others as the major stakeholders. The Management, The Governing Body and The Principal at the helm ensure the practice of decentralised decision-making at all levels. 2018-2019, being the Golden Jubilee year of the college, all departments, societies and committees formulated action plan at the beginning of the year to commemorate the 50 years of the establishment of the college. A Golden Jubilee Committee comprising of staff and students was constituted which organised the Inaugural Ceremony and the Closing Ceremony of the Golden Jubilee celebrations. Apart from this, all major events such as MONTAGE- The Annual Cultural Festival of JMC, Sports Day, International Conferences and Seminars, etc were organised showcasing the practice of decentralisation and participative management. 2. The College is one of its kind in holding annual Parent Teacher Student Association (PTSA) meetings to allow parents to become actively involved in the education of their wards. The Parent-Teacher-Student Association provides an inclusive platform for the parents, teachers and students to interact with one another on matters of importance related to academics and overall development of students. In PTSA General Body meetings, parent representatives from each department are selected to become a part of the PTSA Management committee. This extends opportunities for the parents, teachers as well as students to contribute profoundly, enrich the decision-making process, and nurture greater democratic professionalism, together with proficient event management. It meets twice a year to see how parents can contribute with their expertise in the college. Each year, an annual event of PTSA is organised to facilitate an interaction between parents, students and faculty. The parents witness the oath taking ceremony of Student Council comprising of office bearers of different societies, departments and committees. The students of different cultural societies put up a lively Cultural Programme to showcase their talents and Organisational skills. The meet is concluded by the prestigious prize distribution ceremony that is held to award students for their exceptional curricular and extra-curricular achievements.

| Yes | | | | | |
|--|--|--|--|--|--|
| 6.2 – Strategy Development and Deployment | | | | | |
| 6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each) | | | | | |
| Strategy Type | Details | | | | |
| Admission of Students | An open and transparent strategy for the admission process is followed which is further strengthened by the ethical practices and regulations as opined by the University of Delhi. The College brings out its Brochure which is displayed on the website that has guidelines and code of conduct for the | | | | |

6.1.2 – Does the institution have a Management Information System (MIS)?

| | admission process. The college believes in policy of inclusion whereby it reserves 3 percent seats for Divyangjans. Foreign Students and Students from North-Eastern States are given equal opportunity to take admissions in various courses of the college. |
|---|---|
| Industry Interaction / Collaboration | The Students of B.El.Ed., B.Voc and other courses have collaborated with Schools, Hospitals, Biodiversity Park and other institutions for Internships, Field Trips, On-the Job Training, Research, etc. The students are provided with practical experience which helps to augment theoretical learning. The industry linkages provides Hand-on Training to the students which makes them employment ready after their studies at the college. |
| Human Resource Management | A pluralistic approach to managing the talent of the educational institution is adopted wherein the talent broadly comprises of the teaching staff, non teaching staff as well as the students. Such a strategy allows the inclusive participation of the mentioned stakeholders in every day activities, annual festivals, academic colloquiums etc. Overall, this aids in fostering an environment of holistic decision-making and accountable leadership. Self Enhancement Workshops were organised for the Non-teaching Staff. JMC, in collaboration with IISER, Pune organized one day Faculty Development workshop for writing lesson plans on Climate Change related topics. Subsequently, three Faculty Members from JMC visited IISER Pune and submitted lesson Plans. |
| Library, ICT and Physical Infrastructure / Instrumentation | The College Library is spread over three floors. It is fully air- conditioned, wi-fi enabled and has a seating capacity of 220 users. An e- resource Centre has been established on the second floor of the Library consisting of 25 nodes to enable students to access information for their academic pursuits. Additionally, 5 computers have been installed for the faculty. The college has an aesthetic landscape which is architecturally striking. It has a well maintained, user friendly and resilient infrastructure. The College has an |

| | efficient IT infrastructure with ICT enabled classrooms, seminar halls, labs and latest technology, hardware and |
|----------------------------|--|
| Research and Development | software. The research output of the college has increased manifold. A peer reviewed Interdisciplinary Journal "JMC Review" was launched in 2017 which has received critical acclaim and ISSN. The Second Volume of the E-Journal was launched during the year 2018-19. In order to prioritise research in the college, the Golden Jubilee Committee under the leadership of the Principal Sr. Rosily decided to celebrate the culmination of the Golden Jubilee Year Celebrations of JMC with a Two-day International Conference on the theme "Empowering Women through Transformative Education". One of our Faculty Member from Commerce Department has been |
| | recognised as Research Supervisor and also received ICSSR Senior fellowship for a period of two years ending 2019. Few of our Faculty Members have received Research Grants for various projects. |
| Examination and Evaluation | JMC , being a constituent college of the University of Delhi, is bound by the University rules regarding Internal Assessment. It gives 25 percantage weightage for internal assessment and 75 percentage for the final examination. The college has adopted an online system where each student can view her total assessment marks at the end of each semester and can report discrepancies. A Continuous Internal Evaluation System is followed where the students are given an opportunity to improve their internal assessment marks through re-tests. The Moderation Committee scrutinizes the internal assessment score within a specified time period after which the marks are finally uploaded on the University portal. The faculty addresses the rightful grievances of the students. |
| Teaching and Learning | The College faculty puts their best and continuous efforts to make teaching- learning a meaningful and enjoyable experience. The curriculum is executed through various teaching pedagogies such as Field Based Learning, Small group engagements, Working together as a Team in Society activities and events, Project Method, Case Study |

| | Approach, Subject Related Handouts, Brainstorming sessions, Role plays, Interactive Method, Remedial and Extra Classes for slow learners, Using and encouraging the use of E-Learning Software, Web References, etc. Departments draw up their workloads as per teaching requirements and the Timetable Committee prepares and allocates teaching periods and classrooms to every department. The Timetables are displayed on the website. The Institution adheres to the Academic Calendar for effective implementation of teaching and learning. |
|------------------------|---|
| Curriculum Development | Many of our teachers are involved in the process of curriculum development at the University level. Members of our faculty are part of the Board of Studies/Committee of Courses and Studies of DU for curricular planning and syllabi design and are actively engaged under the purview of the university in course design, paper setting, evaluation and moderation as well as developing curriculum for courses offered by universities other than University of Delhi. The faculty of the B.El.Ed. is involved in designing, developing and executing the curriculum of the B.El.Ed courses in conjunction with C.I.EThe curriculum of two B. Voc Courses introduced in college was also designed and developed by faculty of our college. |

6.2.2 – Implementation of e-governance in areas of operations:

| E-governace area | Details |
|--------------------------|---|
| Planning and Development | Planning and Development is done through Computerised process using IT Tools. The timetables are available on the college website. Information regarding various academic and cultural activities organised by the college are also posted on the website. A Digital display board installed outside the Principals Office, a strategic location, gives information about upcoming and recent events. |
| Administration | DU Student Admission Portal is used to manage the admissions in the college. Number of students applying to each course, withdrawals, fee submission, all is managed through this Portal. 2. Application Management Solution is used to provide an online |

| | form with Data fields as per JMC requirements. 3. Students are required to submit a separate Online Application Form for taking admission to the college and for this purpose Admission Management Console is used by the Admission Co-ordinator. 4. Attendance Management Solution is used by Administrative Staff and Teaching Faculty to record and track Attendance, Internal Assessment, etc. Monthly Reports, Semester End Reports can be generated which is used to automatically calculate the Internal Assessment marks for attendance. 5. Administrative Office uses Advanced Excel and other Software Tools to maintain effective database. |
|-------------------------------|---|
| Finance and Accounts | i.Tally is used by the Accounts Office to maintain all the financial data of the college. Tally ERP 9 has advanced features which helps the staff to maintain financial records effectively and efficiently. Profit and loss, Balance Sheet are generated through this software only. All the analysis reports are also generated through Tally. ii. Payroll Management System helps to automatically calculate the salary, generate salary slips, disperse the salary to the bank accounts. TDS, Provident Fund, Allowances, etc all are managed by this system. Reports can be generated for all Staff members. iii. The Office uses Public Financial Management System (PFMS) to manage the funds received from the Government. iv. Payments are generally made and received through online mode such as NEFT, RTGS, Bank Transfers, etc. |
| Student Admission and Support | i. DU Student Admission Portal is used to manage the admissions in the college. Number of students applying to each course, withdrawals, fee submission, all is managed through this Portal. ii.Students are required to submit a separate Online Application Form for taking admission to the college and for this purpose Admission Management Console is used by the Admission Co-ordinator. |
| Examination | The College uses University of Delhi Intranet based Examination Management System for generating examination roll numbers, uploading Internal Assessment marks , Practical marks, Final Examination marks of SEC Papers. ii. |

Conduct of examination is managed using IT Tools. iIi. Attendance Management Solution is used by Administrative Staff and Teaching Faculty to generate Internal Assessment Report.

6.3 – Faculty Empowerment Strategies

6.3.1 – Teachers provided with financial support to attend conferences / workshops and towards membership fee of professional bodies during the year

| Year | Name of Teacher | Name of conference/ workshop attended for which financial support provided | Name of the professional body for which membership fee is provided | Amount of support |

6.4 – Financial Management and Resource Mobilization

6.4.1 – Institution conducts internal and external financial audits regularly (with in 100 words each)

Internal Audit: • In the initial stage, the officer in-charge scrutinizes and verifies the financial data. This is again scrutinized by the Administrative Officer and the Principal for transparency and financial accuracy. • Income/Expenditure is closely monitored by the Bursar, the Principal and the Section Officer (Accounts). • Proper procedure for purchases is adopted. Quotations are called for and prices are compared. • The audit wing of the UGC visits the college periodically and inspects all the files pertaining to the financial matters that the college has availed of and all the receipts and payments in the college. • They, in turn, submit the audit report to the college authorities. • Corrections are effected on the basis of the audit report and clarifications called by them are submitted as audit reply. External Audit: • The external audit takes place annually after the completion of every financial year. The Chartered Accountant, who works as an auditor is appointed by the College. • The bills and vouchers of the revenue expenditure as well as Capital Expenditure are checked. • Departmental Accession Register, Dead Stock Registers/Purchase Registers are physically checked. . Statutory Audit by CAG is also carried out from time to time . • The audit objections/compliance, if any, is handled by Accounts Department.

6.4.2 – Funds / Grants received from management, non-government bodies, individuals, philanthropies during the year(not covered in Criterion III)

6.5 – Internal Quality Assurance System

6.5.1 - Whether Academic and Administrative Audit (AAA) has been done?

| Audit Type | External | | Internal | | | |
|---|---------------|--|----------|-----------|--|--|
| | Yes/No Agency | | Yes/No | Authority | | |
| Academic | No | | Yes | IQAC | | |
| Administrative | No | | No | | | |
| 6.5.2 – Activities and support from the Parent – Teacher Association (at least three) | | | | | | |

 PTSA Annual General Meeting held on 15 September, 2018 for the Oath Taking Ceremony for the Presidents and Vice Presidents of all Societies and Departments. 2. The Management Committee of the PTSA consists of parents representatives from each department, the Teacher in Charge, PTSA Faculty members and the Principal. It meets twice a year to see how parents can contribute with their expertise in the college. 3. PTSA maintained a fund to support student activities, convocations etc.

6.5.3 – Development programmes for support staff (at least three)

 One day FDP on e-filing of Income Tax Returns was conducted by Dr. Renu Gupta of Commerce Department on 27/07/2018.
 Self Enhancement Workshop on topics self-image self esteem, personality development, positive mind-set, interpersonal intrapersonal skills, public dealing and official letter writing was conducted on 26/06/2019 and 27/06/2019.

6.5.4 – Post Accreditation initiative(s) (mention at least three)

 Signed MOU with Chiang Mai University, Thailand on 19/02/2019, one of the top 3 universities in Thailand to promote expertise and academic excellence in Indian Studies through collaboration with scholars, academic and non-academic experts. 2. Signed MOU with North China University of Technology(NCUT), Beijing, China, to establish collaborative relations between the two institutions to promote friendship and exchange of information and academic material through Student and Staff Exchange Program. 3. Industry-Academia collaboration through International Conference on Social Media Marketing-Opportunities Challenges organized by Commerce department on 28-29, March 2019.
 Streamlining of mentor ward system. 5. Developing sustainable practices for Green Campus 6. Academic audits of Departments conducted by IQAC. 7. Organise two days Self Enhancement Workshop for support staff. 8. Completion of two labs for B.Voc courses: Healthcare Management and Retail Management and IT.

7.1.2 – Environmental Consciousness and Sustainability/Alternate Energy initiatives such as:

Percentage of power requirement of the University met by the renewable energy sources

We have installed environmentally friendly electrical appliances that save energy and reduce wasteful inefficiencies. The electrical wiring in the college has been protected against leakage and short circuit at three levels: MCBs on all the floors ELCBs for each building and Electric feeder station for the campus set up by NDMC. We have phased out 95 percentage CFL and conventional light sources with LED lighting. The college uses solar energy and has provisions for rain water harvesting. The roof of the MPH has the 48 KWh on-grid solar power plant which supplies clean energy to the entire campus. JMC is the first Delhi University College to set up an on grid Solar Plant. It is a 40 kW Solar Grid Interactive Power Plant with a unit generation capacity of 57600 per year, installed by Boond Engineering Development Private Ltd. The system installed has generated around 171 MW energy from 16/02/2016 to 07/05/2019. The College has a Five Year Contract with Boond Engineering Development Pvt. Ltd for maintenance of the Plant including monthly cleaning by the Company. The plant also helps in providing Environmental Science students on-site exposure to working of a solar power plant.

7.1.3 - Differently abled (Divyangjan) friendliness

| Item facilities | Yes/No | Number of beneficiaries |

|--|------------|---|
| Zero Tolerance to Ragging | 20/07/2018 | Ragging is an offence and is strictly prohibited on the campus. In adherence to the rules laid down by the University of Delhi (link of the ordinance, Link5), the college has constituted the Anti- Ragging Committee. The Anti-Ragging Committee ensures that no student faces any mental or physical harassment in the College. |
| Say No to Smoking | 20/07/2018 | Jesus and Mary College has declared itself a no- smoking campus. Delhi University has partnered with Delhi Police and World Lung Foundation- South Asia, in promoting a tobacco free environment, as a step in this direction, smoking and use of tobacco in and around the campus is strictly prohibited. The anti-smoking committee of the college ensures enforcement of the anti- smoking policy. |
| Provisions for Preventing Sexual Harassment | 20/07/2018 | Strict policy framework against sexual harassment is imperative to ensure a conducive and secure environment for growth and development of students.The college has constituted an Internal Complaints Committee in accordance with the guidelines delineated by the UGC and notifications issued by the University of Delhi pertaining to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressed) Act, 2013 |

| Prohibition of Discrimination | 20/07/2018 | Jesus and Mary College is deeply committed to promoting inclusiveness. It's a space, where students from diverse backgrounds come together and experience equal access to opportunities. |
|---|------------|---|
| Grievance Redressal Committee | 20/07/2018 | The Grievance Redressal Committee also looks into any complaints directed to them pertaining to academics (including errors in evaluation), discipline, infrastructure etc. It is a committee which has been put in place to ensure a smooth interface between the students, faculty and the administration. Grievances related to discrimination may also be taken up by the grievance redressal committee. |
| Discipline Committee | 20/07/2018 | Each case is looked into and evaluated by the Discipline Committee |
| CODE OF ETHICS TO CHECK MALPRACTICES AND PLAGIARISM IN ACADEMIC WORK | 20/07/2018 | In order to maintain the highest academic standards, the college follows a policy of zero tolerance to plagiarism in academic work. Plagiarism in academics is not a recent phenomenon and is unlikely to stop lowering academic standards unles educational institutions create awareness amongst students and researchers to avoid plagiarism and an effective system for detecting plagiarism is in place. This document provides general guidelines to be adopted by students and faculty to understand and avoid plagiarism in academic work. |

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

Solid Waste Management Project Dhara under Enactus has been vermicomposting organic waste to produce a low cost en-vironment friendly alternative to the expensive synthetic fertilizer like NPK. This initiative has also empowered members of the local underprivileged community by training them to treat and manage waste to produce and then sell the vermicompost. Project Dhara has diverted nearly 205 tonnes of annual organic waste away from landfills by reducing more than 10.43 tonnes of toxic gas emission such as greenhouse gases-GHG methane and nitrous oxide. Collection drives for newspapers and posters have been variously held by NSS and the Green Society. Recycling workshops have also been held amongst students by the Green Society and B.El.Ed departments to raise awareness about plastic waste, food waste and menstrual waste along with solutions and alternatives. Liquid Waste Management Project Iffat: Recycling of Leftover Soap Bars. Iffat, an Enactus JMC project recycles used soap bars collected from hotels like Crown Plaza, Rohini and The Park, CP and turns them into new soap cakes which are sold in areas facing sanitation issues. This year Iffat sold 19, 755 soaps and recycled 1482 Kg of soap. The prevention of washing down of left over soap in the drainage sys-tem and the recycling of the soap has conserved 606.7 gallons of water. Project Dhara's process of vermicomposting, segregation of liquid waste from solid waste has helped JMC save 158,503 gallons of water. The college has systematically reduced water wastage by building 88 Indian style toilets out of a totaL of 153. Various department and student level sensitisation programs have also been organised. Reuse of waste water coming out of the RO (Reverse Osmosis) system installed in the college by channelizing RO waste water in the washrooms. A Grease trap system is installed with three sedimentary tanks to remove excess of oil and organ-ic impurities from the canteen waste before the water is released. This way the Biological Oxygen Demand is reduced to a great extent in the effluent waste water produced by the JMC canteen.

7.2 – Best Practices

7.2.1 - Describe at least two institutional best practices

JESUS AND MARY COLLEGE BEST PRACTICES 1. Title of the Practice The Gift of Green: Towards Building a Sustainable and Clean College Campus 2. Objectives of the Practice (100 words) At JMC, we strive to create a model of education that is based on compassion and mindful liv-ing. The Green Campus initiative began with an objective of fostering a generation of students who become key agents

in building a culture of eco-friendly practices and making the campus environmentally sustainable. We aim to build a campus that is plastic free, produces minimal waste, conserves energy and practices self-sustainability in areas of power, water and cleanliness. This is a collective endeavor of our students, staff and neighboring community in an effort to recognize our place and responsibility on this planet. 3. The Context (150 words) The relationship between JMC and nature is a long and enduring one, something that students and

staff of the college are aware of. The buildings of this educational institution stand on the solid rock of the Aravali range, a topographical feature that the Congregation along with the Northern Construction Company have consciously chosen to preserve and protect. 11.88 of the 14.1 acre lush campus

in the Diplomatic Enclave is built up. The rest of the campus can be categorized as playgrounds, lawns and gardens. A huge area is left in its natural form and acts as a natural habitat for biodiversity. The variety of species of trees, shrubs and herbs also help in re-charging of groundwater. Climate change

is no myth: The rate of environmental degradation in the 21st century industrial, consumerist society is alarming. JMC has been consistently working towards creating and main-taining an eco-friendly and clean campus. 4. The Practice (400 words) • While cutting trees on campus is strictly prohibited, JMC plants new trees each year and also maintains a Kitchen Garden and Green House. Bird watching and tree identification walks are often carried out. • There are more than 350 trees and more than 1000 shrubs on campus along with 1.5 acre of grass cover. Tree plantation drives are carried out annually in

college. Green Society has also identified and put up nameplates of 56 different species of trees present in our college campus to develop awareness about biodiversity. • Green Society, an active student society, attracts a lot

of student membership and participation. The society in 2018-19 organised several campaigns and events on issues of plastic pollution, menstrual waste and hygiene, and air pollution and promoted eco-friendly practices. • We have installed environmentally friendly electrical appliances that save energy and reduce wasteful inefficiencies. The electrical wiring in the college has been protected against leakage and short circuit at three levels: MCBs on all the floors ELCBs for each building and Electric feeder station for the campus set up by NDMC. We have phased out 95 of all the CFL and conventional light sources with LED lighting. • The college uses solar energy and has provisions for rain water harvesting. • Enactus JMC has also undertaken the following noteworthy waste management projects and initiatives. Dhara: Started in 2016, this project works in collaboration with people from the un-derprivileged communities to

produce vermicompost out of an annual average of 400 kgs solid waste generated by JMC. Iffat: Started in 2017, this project recycles used soap bars collected from hotels like Crown Plaza, Rohini and The Park, CP and turns them into new soap bars. • Reuse of waste water coming out of the RO (Reverse Osmosis) system installed in the college by channelizing RO waste water in the washrooms. • A Grease trap system is installed with three sedimentary tanks to remove excess

of oil and or-ganic impurities from the canteen waste before the water is released. This way the Biological Oxygen Demand is reduced to a great extent in the effluent waste water produced by the JMC canteen. • The 2018-19 edition of the College Magazine focused on issues related to the environment. It featured a cover, a photo section titled "The Gift of Green", and articles showcasing JMCs lush landscape and sensitising the students to take pride in preserving and participating in its upkeep. 5. Evidence of Success (200 words) • Green initiatives in college are student driven. Green Society and Enactus JMC are the active student societies engaged in initiatives related to the environment. • The College has successfully been using solar street lights in the campus from 7 PM to 5 AM. • Our Waste Management Projects have had a huge impact. Project Dhara diverted nearly 205 tonnes of annual organic waste away from

landfills and reduced more than 10.43 tonnes of toxic gas emissions. Dhara has not only contributed in protecting the environment but has also created positive socio-economic impact. In 2018-19, the project was listed in the top 4 projects in the 2018 World Water Race along with receiving the KPMG Business Ethics Grant. • Project Iffat has conserved 606.7 gallons of water and recycled 1482 kgs of soap. The project sensitised 45,550 individuals towards necessary practice of handwashing and 39, 510 individu-als by providing them with affordable and accessible sanitation measure. In 2018-19, Project Iffat was named in the top 12 projects in the 2018 World Water Race along with receiving the KPMG Business Ethics Grant. • The social reach of both the projects has resulted in creating 15 female entrepreneurs. 6. Problems Encountered and Resources Required (150 words) We faced problems in efficient maintenance of solar power generation. There were technical faults including failure of one of the inverters. This reduced the efficiency of in-house solar pan-els. 7. Notes (Optional) (150 words) • In 2019-20, JMC plans to have an Environmental Audit and Energy Audit of the campus. • Based on the enthusiasm of the student community in environmental issues, we plan to make Green Society a compulsory society to ensure a more robust participation. • We also plan to make the campus plastic free by banning all single-use plastics. The college will organise International Conferences on plastic and sustainable practices and engage with academic and industry experts on the same. • As not all students immediately connect with traditional ways of contributing to the environ-ment, we plan to have an anti-fast-fashion campaign, beginning with an innovative Clothes Swap Shop, which will spread awareness about the circular economy and have a long term ide-ological impact and create seismic shifts in our consumption patterns towards a greener and cleaner tomorrow. 1. Title of the Practice : Campus Placements/Internships: Empowerment through Employment 2. Objectives of the Practice The Placement Cell and individual departments constantly provide a vibrant platform to meet the different needs of students for employability. • Given the skewed male-female ratio in urban professional spaces, the Placement Cell and individual departments connect young women with potential employers, empowering them through employability, making them socially, politically and economically active citizens. • The Placement Cell and individual departments also provide opportunities for internship, fellowship and summer training, etc. • In addition, the institution also organizes talks on academic and career development, training programs and workshops to bridge the knowledge gap between students and the job market. • JMC was a pioneer at the Delhi University in starting a Placement Cell in 1998 to offer an institutionalized mechanism to facilitate placements. • Helping young women to become economically independent through providing a wide range of employment and entrepreneurship opportunities has been the principle objective. • Internships, training programmes and field visits are additionally a crucial focus of departments like B.El.Ed, B.Com and B.Voc. • Placing students in summer internships enables the students to get hands-on training to make informed career decisions. It also facilitates potential employers to assess the suitability of candidates. 4. The Practice JMC coordinates with various organizations for campus placements. It began with a single company (GE Capital) in 1998, but now more than 100 reputed multi-national companies, banks, and other corporates such as Deloitte, Accenture, Ernst Young, KPMG, Wipro are keen to recruit our students. • JMC scrutinizes the companies' profiles and schedules a preliminary presentation by them which informs the students about the job profile, working conditions and growth opportunities. The companies then conduct their standard recruitment procedures such as written tests, group discussions and interviews. • In addition to corporate placements, the department of Elementary Education has placed our students in some of the best schools in the country. • JMC is one of the few women's colleges to offer a Bachelors degree in Vocational Studies. It is also the only college in DU to offer both Healthcare and Retail Management as areas of study.

• Aimed at training students in specific skills required by the job market, JMC's B.Voc department ensures one-month internship programmes for its final year students. The B.Voc department students have interned and have been placed in reputed organisations and hospitals like Accenture, Marks Spencer, PWC, Godrej Properties, DLF, Primus, Fortis, Medanta, CK Birla, etc. • E-cell that was established in 2014 provides a platform to our innovative young

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

https://www.jmc.ac.in/about/best-practices

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Jesus and Mary College was founded in 1968 with a Women Centric Founding Vision and Mission to provide quality education to young women. It has been five decades and JMC has stood true to its founding principles with a stellar track record in transforming the lives of the countless young women students that have passed through its portals. Our goal has been to pro-vide the kind of transformative education that will enable our students to • create a just, and in-clusive society • develop as women of competence, compassion and conscience • pursue the goal of social transformation as empowered individuals • realize their potential and self-worth to evolve as leaders and catalysts of change making valuable contributions in all spheres of national and global life. As a leading women's liberal arts college, we prioritize creating a safe space for our students to gain a gender sensitive and empowering education. The Women's Study Centre (WSC) at JMC plays a critical role in fostering gender sensitivity on campus. Programmes in the form of lectures, conferences, and workshops are organised throughout the year to create an in-tersectional awareness amongst undergraduate students about the inequalities confronting differ-ent genders. JMC pays special attention to issues relevant to women in the 21st century, especial-ly those of mental health, sexual identities, and sexual harassment in the workplace. Our WSC engages counsellors who are not only available to our students for individual and person-alised sessions but also meet with teachers to help them to create a gender sensitive and enabling classroom environment. In addition, JMC has an active Internal Complaints Committee (ICC), a statutory body formed to register complaints of workplace sexual harassment and to undertake formal proceedings to resolve them. The JMC WSC and ICC have been committed to include and engage with the local community. This year the Department of Economics conducted a survey of households in the nearby slum Sanjay Camp to collect data on various indicators with emphasis on women centric variables such as Menstrual hygiene, awareness about contraceptives, schooling, time devoted to household activities etc. Jesus and Mary College's year-long Golden Jubilee celebrations culminated in a two-day International Conference on October 3 and 4, 2018. • The theme of the Conference was "Empowering Women through Transformative Education". This Conference created a dialogue on the issues of gender empowerment, its meanings, importance and role of various agencies, in general, and higher education, in particular. Speaking at the Inaugural, the Chief Guest Prof. Yogesh K. Tyagi, Vice Chancellor of University of Delhi, highlighted the need for education to be truly transformational, bringing about behavioural and attitudinal changes in students in order for it to be empowering. Moreover, each department in college has organised events and programmes related to gender and women's em-powerment with a special commitment to issues that are relevant to the student population. These events work to reinforce the institution's larger vision and mission to provide transformative em-powering education to young women.

Provide the weblink of the institution

https://www.jmc.ac.in/about/institutionaldistinctiveness

8. Future Plans of Actions for Next Academic Year

• The College stands true to its founding mission and vision of providing the transformative education that will enable our students in creating a just, humane and inclusive society and develop as women of competence, compassion and conscience. • As a leading women's liberal arts College, our priority for the next year rests on providing a gender sensitive and empowering education which will help them to realise their potential and self-worth so that they evolve as leaders and transforming agents who make a significant contribution in all spheres of national and global life. . There will be a lot of focus on streamlining the Mentor-Ward System and providing adequate counselling services to students to cater to both personal and career related issues. • One of our aims shall be translating JMC values into our educational pedagogy with the broader vision of inculcating a sense of responsibility and accountability within the students. In order to fulfil our vision, we shall be organising debates/seminars on value system and start a Life Skills Development Certificate Course. • The institution will provide opportunities to both teaching and nonteaching staff to hone their skills and knowledge through Faculty Development Programmes and Self Enhancement Workshops. • We wish to sensitise our students towards learning to respect and remain in sync with nature and its elements. There will be a thrust on drives like plastic free campus and sustainable practices to preserve the campus environment. • In nutshell, in order to pursue the goal of transformation of our society as empowered individuals, the students shall have the exposure of education that will be a fine blend of technology savviness and sensitivity towards issues related to mental and physical health and environment consciousness.
