# **PLACEMENT CELL ANNUAL REPORT**

**(2018-19)**

The Placement Cell serves as an interface between the students and the Corporates. Apart from bringing various recruiters to the campus, it also organizes talks, workshops and provides internship opportunities for all the students of the college.

The Placement Cell of Jesus and Mary College, Delhi University had another fruitful year of placements for the academic year 2018-19. It brought in wide variety of job opportunities for students of different departments. Various new companies including start-ups as well as top companies approached us for fresh talent.

All the activities of the Cell are carried out tirelessly by the placement cell team consisting of Jovita Joy (President), Aanchal Jacob (Vice President) and a student committee under the expert guidance and supervision of placement cell coordinator Mrs Sunita Narain.

In spite of the job market looking bleak this time around, we saw many leading corporates recruit a considerable number of students from our campus. Companies like Deloitte, EY, ICICI bank, Macquaire, PwC, Accenture, Wills Towers Watson, etc came in for placements and more than 100 students have been placed and few results are still awaited.

Besides placements, talks, internships and competitions were also organised by the placement cell.

‘EY Corporate Finance Women of the Year’ competition was conducted for B.com and Economics students of second and third year. We are proud to say that Tanushka Lahiri, a second year student from Jesus and Mary College pursuing BA Economics (Hons) won the first phase of the competition that took place at a country level and was flown to London for the Global Final in February 2019.

Here is a detailed report by the Placement Cell for the year 2018-19

# **PLACEMENT CELL ANNUAL REPORT**

**(2019-20)**

The Placement Cell of Jesus and Mary College operates round the year to provide not only job opportunities to the third year students but also internships to all the students of the college. It serves as an interface between the students and the Corporates. We aim to invite companies from various fields in order to make range of opportunities available for the students of all courses.

The Placement Cell has had another fruitful year of placements and internships as several regular as well as new companies visited the campus for the recruitment drive. We have had 84 companies coming to Jesus and Mary college for placements which included BCN, Deloitte USI, Talentl, EY, Wipro, PwC, Accenture, Macquarie, AXA XL, Oberoi Hotel, ITC Hotel, ICICI Bank and others. Due to the COVID pandemic, some of the companies cancelled while others put a hold on their recruitment drive. In fact, we saw huge surge in the of paid and Unpaid Internship opportunities for students- companies like Metvy, One Plus, Ernst and Young, Barcodent, Teach for India, Oyster connect, Awign, ZI media, Apollo Hospital, Young India Foundation, Lead IAS, Ureka Education Group, Dubai, and many more. Around 191 companies have come with internship offers till now and more are in the line with the ongoing recruitment process. As of now 290 students are selected for the internship with various companies.

The Cell also organises talks, workshops and competitions to equip students with life skills and to provide career guidance about avenues open after graduation. We had a Session on 'Interview Techniques & Education Counselling and other additional Support by Aspirations Abroad, Jobs vs Higher education vs Entrepreneurship by Talerang, 'Let's talk future- varied Opportunities' by Pearl Academy, MBA as a career option and also a webinar on 'How to COVID proof your career'.

Competitions were held by Ernst and Young- corporate women of the year, Tata Consultancy, KPMG, Deloitte and others also took place in which students from our college participated enthusiastically.

The details pertaining to internships are specified in the report below.

To conclude, all the activities of the Cell are carried out tirelessly by the placement cell team headed by Minnu Mathew (President), along with a student committee under the guidance and supervision of Placement Cell Coordinator Mrs Sunita Narain.
