**JMC hosted the Delhi University Inter-College Football Tournament from 23<sup>rd</sup> – 28<sup>th</sup> October' 2017. The inauguration was done by Sr. [Dr.] Rosily T.L. and Sr. Lawrence gave away the prizes to the winners. JMC won the Champion's trophy.**

I was an evening of a lot of heads and bickers at Jesus and Mary College as its football team beat Kamala Nehru College's 4-2 to win the inter-college football tournament organized by Delhi University. This year, JMC played host to the tournament to mark its golden jubilee celebrations.

**NOW: JMC FOOTBALLERS**

**WE HAVE BEEN WINNING THIS TOURNAMENT FOR OVER A DECADE**

JMC was in the lead throughout the first half of the match as they managed to score three goals in the first half. And although the scores put pressure on KNC, its team managed to score two goals in the second half. Shriren Kataria, the sports president of the college, said, "We have been winning this tournament from over a decade now. We could not afford to lose this game."

Dilina Chhillar, the captain of JMC's football team, said, "It's part of a legacy that we have been winning this game. We have never lost this tournament and even though KNC gave us tough competition, we were able to win the game." Ishita Nagpal, the captain of KNC's football team, said too, "It's been three years that we've been reaching the finals to play against JMC. We would lose by 1-0, but this was the year when we actually scored against them. We really wanted to win but I am glad that the score wasn't bad at all."

**'WE SHOULD HAVE MORE FOOTBALL TOURNAMENTS FOR GIRLS'**

All the teams that had participated in the tournament hoped that the perception of people towards the sport also changes, just like the way it has changed towards women in cricket. "I think we need to win one or two official tournaments so that people start taking us on our game as well. I think we should have more football tournaments so that we

option of people's women in people start fornts so that we

can get more opportunities," said Ishita.

Damvi, a player from JMC's team, added, "This game is dominated by men, but if women are given equal opportunities, they can play really well, too. Women footballers should get more support from official football associations so that they also feel encouraged."

## Participation in Asian Netball Championship 2017

Shubhreet Randhawa has represented India in Asian Netball Championship 2017.

Tracing her sporting journey Shubhreet Randhawa, BA (Hons) English from Jesus and Mary College, who represented India for the Asian Netball Championship 2017. She says, " I started playing basketball under my school coach at the age of 12. I have always been hard working and loved to set targets for myself. I was introduced to Netball in college. During my first year we played it for a month and won the inter-college. The game interested me and while in my second year I gave trials for the Senior National team made it through with consistent hard work and determination. My coach informed us that there are open trials for the Asian National Championship, I decided to go for the trials it was a long journey with many hardships."

" I used to attend college in the morning and then go for my trials in the evening, I was overwhelmed when I was selected for the camp but that very day I told myself I will make my place in the India team. It was April and I had my semester exams in May but I decided to take the risk. The team was declared a week before the team was supposed to leave for South Korea and it was worth everything I went through, I made it to the team. Our excitement was beyond bounds especially when we were distributed our blue jerseys with the tricolour flag. It was a difficult task to balance my studies with exams a week away with my Asian Netball Championship but where there is a will there is a way," she adds.

## Yale University teams visit Jaipur for polo tournament

(Above) A match near Jaipur where one of the teams from Yale varsity and the local team fought it out. (Below) The members of Yale University Blue, Yale University Pink and Young India team

It's polo season in Jaipur and different grounds in the city and other parts of Rajasthan are abuzz with equestrian activities and polo matches. Recently polo players from the USA Yale University visited the Pink City as a part of their polo tour of India. The riders played matches with a local Indian team at the picturesque grounds of a heritage property near Jaipur.

The eight-member Yale University squad was divided into two teams - Yale University Blue and Yale University Pink - and they took part in a round-robin tournament that included the local team, named Young India team. The Yale University Blue won the tournament beating the Young India team by 5-5 in a closely fought game. Kishu Verma, who led the winning team, told us, "Love for equestrian can bridge cultures and bring together like-minded people across the globe. It was a memorable experience for me to play polo in Jaipur. The match against my Indian friends will remain a cherished memory for life."

Dhruv Singh, a student of Jesus & Mary College, Delhi, who led the Young India team, said, "It was exciting to play against the Yale University team and the entire tournament was truly a memorable experience for each one of us. It gave us the opportunity to make new friends who share the same passion."
