CULTURE CONNECT

The Students' Council devised the idea for **Culture Connect 2023**, giving space to students of JMC to participate and volunteer in showcasing our country's multifaceted cultural heritage. **Culture Connect 2023** was held on 21st April. Numerous activities were organized under the banner of the event, in keeping with the spirit of the G20 mission of celebrating the diverse cultural heritage and traditions of our glorious nation.

Event included music and dance performances showcasing the cultural diversity of performance styles of various states of the country like Ghoomar, Kalbelia, Gidda, Jogwa, Kathak, Bharatnatyam, etc. Merchandise Stalls selling clothes, accessories, handicrafts, and other artefacts epitomizing the beauty of the nation's offerings like a lac bangle maker, candle maker, dupatta sellers, etc. Talents & Workshops like pottery making, mehendi, bhangra workshop, dholwala, etc were organised for visitors. The college is home to a wide group of international students, and we incorporated the syncretic possibilities of some international collaborations like a Bachata Workshop and food offerings like Korean and Japanese food.

WORK OF DEPARTMENTS AND SOCIETIES IN ENHANCING INCLUSIVITY AND APPRECIATING CULTURAL DIVERSITY

The various academic departments of the college address the issue of diversity and need for inclusion through the various events organized by them over the course of the year. The college also runs mentor-ward system to facilitate students to raise concerns around cultural, language and economic differences to be addressed by students.

The college has various cultural societies that routinely schedule events that intend to raise awareness about India's rich heritage and cultural diversity. The Indian Culture Society) aim to celebrate and promote Indian heritage, craft and tradition by hosting regular music and dance performances. Other societies like Ethnic eight- The north east society, Dastaan- Art and Architecture Society, Film Appreciation Society, AICUF, NSS and Women's Study Centre also actively work to facilitate enriching discussions and programmes around building harmony and tolerance and becoming appreciative of the diversity amongst the students and staff of college.

DEPARTMENT OF VOCATIONAL STUDIES

With the commencement of the new academic session (2022-2023), all the students of the B.Voc- Retail Management and IT (RM&IT) and B.Voc-Healthcare Management (HCM) courses looked forward to making it a tremendous success. Students enrol into internship for hands-on learning to have a better understanding of the industry's practical aspects, making the curriculum more engaging and idiosyncratic. To get a hands-on experience, B.Voc students went for their internships in December 2022 and January 2023, 2nd year students went for 30 days internship in Venkateshwar Hospital (Dwarka), Max Hospital (Shalimar Bagh and Saket), ACME, Pantaloons, Marketeers Hub, Ashman Foundation, Younity, FrontRow, Hamleys, ITV Network, Zaphire. 3rd-year students went for their internship at Artemis Hospital(Gurugram) and Apollo Hospital(Noida), ACME, FrontRow, Zaphire for 30 days.

For further skill enhancement, the department also organized on "Post – Pandemic Leadership & Management" and "Let's Crack Group Discussion" on 02nd November and 7th November, 2022 respectively. The session was insightful and students gained practical knowledge about the field of management in the globalised world scenario.

CERTIFICATE COURSES

JMC is committed to developing the students in a holistic manner. We believe in empowering students to make informed choices about their lives and career. Towards this goal we not only engage with University prescribed curricula but also expose the students to a range of add-on courses which are optional.

These courses are need based and respond to the constantly evolving requirements in the field. Curricula of these courses are carefully studied by the experts before selection of specific organization to conduct the same.

The courses conducted by the industry and other practitioners are hands-on . It includes industry/studio visit (as required) to provide experimental learning. Our students get an advantage of enhancing their CV's by participating in these courses on the college campus itself, without disturbing their regular classes (as these sessions are held after the main classes are over) and are aligned to the University and college calendar (exams, college activities etc.).

JMC welcomes women students from any other institution as well to attend these courses. There is a formal system of feedback from the students enrolled in these courses in a constant pursuit of improving them. On successful completion of these courses, the students get certificates from JMC and the other conducting agency. These certificates help in seeking internships and jobs subsequently.
